The Gospel of Jesus Christ

"To run and work the law commands,
But gives us neither feet nor hands.
Far better news the gospel brings:
It bids us fly and gives us wings."

John Bunyan (1628-1688)

Scripture Reflection

Jesus Christ has something profound to say to us about being charitable, kind and just. He speaks to us of not being an island. We need each other. We are a community people. The Church provides us with the space to be community. The local church calls us together, at least once a week, to worship together, to pray together, to look out for one another. On special occasions, it brings us together to celebrate life and love, and to mark significant moments in our life. It also reminds us to be there for others in their time of need. Imagine doing any of these things on your own! Imagine celebrating the birth of your child in private or your marriage in secret! It just wouldn't make sense. The Church gives meaning to all these things in the eyes of God and in people's eyes. (Extract: Fr. Iomar Daniels, *Intercom*)

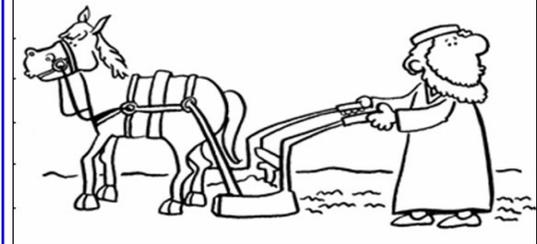

Your word
is a lamp
to guide my feet
and a light
for my path.

The Power of One

I am only one, but I am one.
I cannot do everything, but I can do something;
and what I should do and can do,
by the grace of God, I will do.
