Seeing your Life through the Lens of the Gospel

Jesus recognised that his disciples were not capable of taking in everything at once. Wisdom about life comes slowly and sometimes painfully. Hearing the 'right' answer at the 'wrong' time does not help us. We need to be ready and open to receiving the truth if it is to have any impact. The Spirit can guide us to understanding in different settings. Understanding may have come to you when you were praying or reflecting on your life. Perhaps the Spirit guided you through the words of someone close to you, or through the words and actions of people you read about or saw on TV. The Spirit also speaks to us through 'the signs of the times'. The church has lived through a troubled decade or two, and society has been through a turbulent year with the pandemic. How do you think the Spirit is speaking to us at this time? Wisdom is handed on from person to person, and from generation to generation, within families, within communities, etc. What wisdom would you like most of all to pass on to those close to you?

The unoccupied fields of the world must have their Calvary before they have their Pentecost

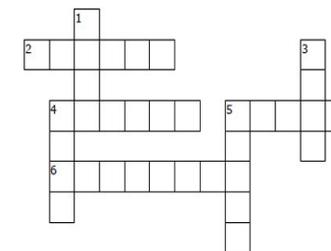

Samuel Marinus Zwemer

Did you Know?

Pentecost, also known as Whit Sunday or Whitsunday, is observed on the seventh Sunday after Easter and 10 days after Ascension. The name comes from the Greek word "pentekoste" which means fiftieth as Pentecost Sunday takes place on the 50th day of Easter. As the date is based on Easter, this day is a moveable feast. The earliest day that Pentecost Sunday can fall is May 10th (as in 1818) and the latest possible date is June 13th (next in 2038). It marks the end of the Easter cycle, that began 90 days ago with Ash Wednesday at the start of Lent.

The Day of Pentecost

All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability. Acts 2:4 (NIV)
